## Welcome to LiteBlue

The next generation in employee communications

LiteBlue is here to help you to communicate faster and stay connected. It's packed with the information you need for career development, revenue and service performance, products, recognition — you name it. There's even a place where you can give us feedback. You also have secure access to PostalEASE through LiteBlue to check, and change, your benefits selections.

Check back often, because LiteBlue will continue to evolve — to transform — and deliver results that set the standard. It's the postal way!

### Here's how you log on:

You'll need your Employee ID and USPS PIN to log on to LiteBlue.

- Your Employee ID is easy to find — just look at the top of your earnings statement. It's the 8-digit number printed just above the words "Employee ID."
- Your USPS PIN number is the same one you use to access PostalEASE. If you've forgotten it, [click here](#) to reset your USPS PIN number.

[Forget Your PIN?](#)

Is this Site Secure?

**FOR EMPLOYEE USE ONLY**

This is a U.S. Government website intended for authorized use only by Postal Service employees. Unauthorized access or use of this website may subject violators to administrative action, civil, and/or criminal prosecution.

This website and other applications entered through this site (such as PostalEASE, the Thrift Savings Plan and Office of Personnel Management employee benefits sites) are designed to protect your ID, passwords, and other personal data.

*LiteBlue* will help you monitor and manage your career and benefits and keep you connected with policies that affect your job. You should not use *LiteBlue* to assist your performance of work for the Postal Service outside of your scheduled or approved work time. *LiteBlue* is designed and intended for your personal use.

**Always use the leading zero in the 8 digit Employee Identification Number**

**Enter EIN and Password and click Log On**

**ENSURING A VIABLE FUTURE**  
BOARD CHAIRMAN STRESSES NEED FOR FLEXIBILITY, SPEED

June 14 — USPS Board of Governors Chairman Louis Giuliano last week discussed the Postal Service's 10-year action plan with major business mailers from across the country.

"Speaking for the Board of Governors, I fully support management's plan in its entirety," said Giuliano. "It's a balanced, comprehensive approach which includes many solutions rather than just one."

Click eJob Bidding

Including "My HR!" My HR helps you manage your postal life by providing information about health benefits, career development learning options, retirement, employee diversity and your employment rights.

To find employee apps such as ePayroll, eOFF, PostalEASE, etc., click the new carousel found on page (clicking on the side arrows displays more apps) or click [here](#).

**Tip!** All employee apps can be found on the My HR site by accessing the "Employee Apps" link on the footer of every My HR page.

## United States Postal Service Computer System

### WARNING

#### FOR OFFICIAL USE ONLY ...

This is a U.S. Government computer system and is intended for official use only. Unauthorized access is prohibited. All user activities are subject to monitoring in accordance with the United States Postal Service's policies to ensure compliance with federal law, government regulations and organizational policy. Any authorized or unauthorized use of this computer system signifies consent to this monitoring.

YOU HAVE NO EXPECTATIONS OF PRIVACY USING THIS SYSTEM. Authorized employees have the right to examine active and stored e-mail and files within all systems, and to monitor any use of the system. Others may inadvertently view your messages. Users are responsible for the images they cause to be displayed on, and the contents of, messages transmitted over Postal Service communication systems. All communications are to follow the proper business etiquette, avoid insensitive, hostile, or offensive subjects and language that would violate official Postal Service policies and regulations.

Non-compliance with any of these conditions is grounds for disciplinary action up to and including removal or termination, as well as criminal prosecution. Report instances of suspected misuse to your supervisor or systems administrator.
